ALUMNI SPEAK.....

The days I spent at SBS family were the most remarkable days of my life. SBS have give me immense love and real world skills. It has enhanced my technical aptitude and interpersonal skills. I am thankful to SBS for all knowledge and experience and making me future ready.

Gagandeep Kaur (B.Tech CSE)
Placed in Six Blue Chip MNCs

I have seen my self evolving as an all rounder whilst progressing in academics along with my overall personality as a leader. I have got many opportunities from the TP cell of my college for my placement and the faculty helped me alot to secure placement.

Rahul Dhawan (B.Tech CSE)
Placed in Accenture

Sincere thanks is due to the institute for the exceptional care and guidance I received there, which eventually helped me reach where I am now. I will recommend this college to a lot of young aspirants who wish to acquire engineering from professionals' expertise, enhancing their abilities and helping them reach new heights.

Daljit Singh ECE 2018-22
Placed in VVDN Technologies, Gurgaon

I'm truly grateful to the institute for the quality of care and nurturing i have received which eventually has helped me to reach where I'm today. I will recommend this institute to many young aspiring minds who wish to learn engineering discipline through the experience of experts thereby refining them and taking them to new heights .

Pavitar Singh (B.Tech CE)
JDM, Deptt. of Soil & Water Conservation

The individual attention and care by the faculty in SBSSU to each student is highly commendable SBS nourished me to attain the acceleration to reach the terminal destination

Anmolpreet Singh (B.Tech CE)
Captain, Indian Army

I wanted to take a moment to express my heartfelt gratitude to my teachers and everyone at SBSSU for the incredible opportunities and experiences I had during my time there. The dedicated faculty members of our ECE department have been instrumental in shaping my knowledge and guiding me towards excellence. Moreover, I would like to extend my deepest appreciation for the placement assistance provided by our Training and Placement cell. Thanks to their efforts, I was able to secure a promising placement in Zscaler and multiple other MNC's. I am proud to be an alumnus of this esteemed institution, and I will forever be grateful for the profound impact it has had on my life.

Avinash Arya (B.Tech ECE) 2018-22
Associate Cloud Security Engineer, Zscaler Inc.

I have had an amazing time studying at SBS, the comfortable study environment, friendly faculties and wonderful resources. There are so many activities that you could participate in along the way to get more campus life experience. You can join a club, make more friends and so on. I am sure you will grow, improve yourself and become a better you.

Ashita Singh (ECE 2017-2021) TCS

The kind of teaching methodologies, teaching staff and well equipped labs has transformed me into an better engineer

Ashish Gill (CE 2014-2018)
SDE, Water Resources, Punjab

PARENTS SPEAK.....

We are delighted that our child is placed in Impetus who has pursued her B.Tech. in Electronics & Communication Engineering (ECE) from very reputed institute in Punjab SBSSTC which has been recently upgraded to Shaheed Bhagat Singh State University. Heartiest congratulations to staff for promotion of institute to university level.

Raj Kamal Syal F/o Alisha (ECE 2016-20) IBM, ACCENTURE

I know that my child has learned a lot from SBSSU, and I sincerely thank you for that. I also appreciate all the extra time and effort you put in to help my child grow and learn. Thank you for making a difference in my child's life.

F/o Anmolpreet Singh (CE 2012-16)
CAPTAIN, INDIAN ARMY

With your guidance, our son has transformed into a confident and capable child. Thank you for being such an important part in our child's development.

F/o Pavitar Singh (CE 2018-22)
JDM, Deptt. of Soil & Water Conservation

Our son Deepak Rajwani, completed his B.Tech in Mech Engg. from SBS in 2007. We are thankful to SBS for providing this life changing platform where the real transition from child to adult takes place. He has grown immensely both personally and professionally during these four years. After passing out from college, a good job is always a priority for the student and he got placed in Oracle through on-campus placement. However, based on his skills and knowledge gathered from college he was able to clear exams of PSUs too and finally joined Maharatna PSU NTPC Ltd.

Sunita Rajwani M/o Deepak Rajwani (B.Tech. ME)

I am very Thankful to the entire faculty of the ECE department and SBSSU for providing my ward with such a lovely environment to learn and grow both personally and professionally, I highly recommend SBSSU to all parents who are looking for their ward's bright future.

Ghanshtyam Prashad F/o Avinash Arya (ECE 2018-22) Zscaler

Very Proud. Happy to have responsible daughter. Thanks Shaheed Bhagat Singh State University for giving her bright future. Hard work always pays off.

Sunita Singh M/o Sakshi Singh
(ECE 2016-20) Mavenir Systems

I truly appreciate you for everything that SBSSU has taught my son. I also value the extra time and effort you put in to support my child's development and education. I would like to thank you for transforming my child's life.

F/o Daljit Singh ECE 2018-22
Placed in VVDN Technologies, Gurgaon

SBSSU has given my daughter an opportunity to spread her wings and embark on a magical journey. I will always be proud mother of my daughter Ashita who completed B.Tech. ECE from SBSSU in 2021 and has been placed in many MNCs like TCS, WIPRO & also Infosys. Thank you SBSSU for giving my daughter a beautiful future.

MINISTER'S MESSAGE

In the modern era of dynamically changing techno-social environment, engineers and scientists play a proactive and pivotal role to steer the technology for exploring newer horizons of knowledge related various domains of society. An educational institution has a profound role to play in the building of a nation, a society and an individual. It demands high level of expertise and care when the recipients of that education are slated to perform roles of high responsibility.

The true mission of the institution is to build an extraordinary foundation of academic excellence with global impact. In the face of new challenges and fresh opportunities, let us work for greater accomplishment with our single minded determination and unremitting efforts. The present century has been seeing lot of innovation and changes in the processes.

The challenge, shared by all institutions, is to help to generate the intellectual property which will create new jobs, and to educate and train people to work in fields where they will be valued both for their specialized knowledge and their ability to orient their minds towards research and development to solve the problems of society. It gives immense pleasure while transforming youth to be a professional with a sense of value and determination, an approach that guarantees one thing - SUCCESS through pursuit of knowledge.

The Department of Technical Education is planning skill based technical education in near future in order to have maximum placements for graduating engineers of the region. The new era bridges a gap between the academia & industry so that the technical education can boost.

I am glad to note and wish that Shaheed Bhagat Singh State University in Ferozepur has enormous potential to build on these strengths and rise to even greater heights of distinction in field of technical education and research in the near future.

S. Harjot Singh Bains
Minister of Technical Education & Industrial Training

Introduction

1.01 The Historical Background

Initially the University was established by the Government of Punjab in 1995 with the name 'Shaheed Bhagat Singh College of Engineering &Technology' as a tribute to the great martyr Shaheed Bhagat Singh. In the academic year 2011-12, it was upgraded to the status of a state technical campus and rechristened as "Shaheed Bhagat Singh State Technical Campus, Ferozepur". In the academic year 2021-22, it was upgraded to "Shaheed Bhagat Singh State University". The university is fully promoted by the Punjab Government and is registered as a Society under the Societies Registration Act 1860. Its affairs are administered by a Board of Governors. The State University, with its lush green state-of-the-art facilities spread over 98 acres is situated on Ferozepur-Moga Road, about four Kilometers away from the Ferozepur City.

The City, Ferozepur

The city, Ferozepur is situated on the Indo Pakistan International border. It is well connected by road and rail with important cities like Amritsar, Ludhiana, Jalandhar, Chandigarh, Delhi and rest of the country. As per the annals of history, Ferozeshah Tughlaq founded the city in the fourteenth century. However, it is also believed that its founder is Ferozekhan, one of the Bhatti chiefs. Having a rich heritage, it indeed has maintained its name. In the undivided India it has been a centre of trade and commerce. Ferozepur, with numerous holy shrines, historical places and memorials in and around, has earned a rare status. The hallowed Samadhis of the martyrs Bhagat Singh, Rajguru and Sukhdev, the Saragarhi Gurudwara commemorating the heroic sacrifice of twenty one Sikh soldiers at Saragarhi post in Baluchistan and the Jain Swetambar Temple at Zira constructed in 1890 A.D. are some of the places of pilgrimage showing the spirit of universal brotherhood.

1.02 Statutory Authorities and Other Committees

The Statutory authorities of the State university are

a) Shaheed Bhagat Singh College of Engineering and Technology Society and
b) The Board of Governors

To take care of other important administrative and financial matters of the State university, the Board of Governor has constituted other various committees.

1) Finance Committee
2) Buildings and Works Committee
3) Equipment and Stores Purchase Committee
4) Staff Selection Committees

1.05.20 Post- Matric Scholarship Scheme (PMSS)

Post-Matric Scholarship Scheme (PMSS) is a Centrally Sponsored Scheme and it is implemented through State Governments and UT administrations. The Scheme provides financial assistance to the Scheduled Caste students studying at post matriculation or post-secondary stage to enable them to complete their education. These scholarships are awarded by the government of the State/Union Territory to which the applicant actually belongs i.e. where he/she is permanently settled.

As per the PMSS guidelines, for all the newly admitted SC/St students under PMSS Fee category, it is mandatory to fill and submit the Freeship card at the time of admission.

Following enlists the major conditions of Eligibility of Students for availing PMSS Scholarship

1. The scholarships are open to Nationals of India only.
2. Only those candidates who belong to Scheduled Castes so specified in relation to the state/Union Territory to which the applicant actually belongs /domiciled as determined by the state/UT and who have passed the Matriculation or Higher Secondary or any higher examination of a recognized University or Board of Secondary Education will be eligible.
3. Scholarships will be paid to the students whose parents'/guardians' income from all sources does not exceed Rs. 2,50,000/- (Rupees Two lakh Fifty thousand only) during the last Financial Year. Income certificate is required to be taken once only i.e. at the time of admission only to courses which are continuing for more than one year. The income certificate shall be issued by the Authority as decided by the State Government.
4. The ceiling on age limit for admission as regular student in different classes should be decided by concerned Institutions.
5. Candidates who, after passing one stage of education are studying in the same stage of education in a different subject e.g. Intermediate Science after Intermediate Arts or B.Com after B.A. or M.A in one subject after M.A in other subjects will not be eligible.
6. All the children of any parent/guardian will be entitled to receive benefits of the scheme.
7. A scholarship holder under this scheme will not hold any other scholarship/stipend. If awarded any other scholarship/stipend, the student can exercise his/her option for either of the two scholarships/stipends, whichever is more beneficial to him/her, and should inform the awarding authority through the Head of the Institution about the option made. No scholarship will be paid to the students under this scheme from the date he/she accepts another scholarship/stipend. The student can however, accept free lodging or a grant or ad-hoc monetary help from the State Government or any other source for the purchase of books, equipment or for meeting the expenses on board and lodging in addition to the scholarship amount paid under this scheme.
8. Students should have Aadhaar linked Bank accounts to facilitate payments through the Aadhaar Payment Bridge.

Above guidelines are subject to amendment by the central/state government time to time. Complete guidelines are available on government website https://socialjustice.gov.in/writereaddata/UploadFile/PMS_for_SCs_Scheme_Guidelines.pdf

To apply for PMSS, the students should have following documents:

1. Printout of Freeship Card (Fresh)
2. Copy of Caste Certificate having father name included (Attested)
3. Copy of income certificate of Current Financial Year (Attested)
4. Copy of Punjab Residence Certificate (self Attested)
5. Copy of 10th DMC (self Attested)
6. Copy of 12th DMC (self Attested)
7. Gap affidavit/Undertaking if any
8. Copy of student AADHAR Card (self Attested)
9. Copy of parents AADHAR Card (self Attested)
10. Copy of Bank pass Book of Account seeded with AADHAR Card (Self Attested)

During his/her studies, student will be required to furnish the documents as follows

1. Certificate of Attendance (Signed by HOD with Deptt. stamp)
2. Student Undertaking (fully filled and signed) (to be downloaded from portal)
3. Previous Academic Year result (self Attested)

Two sets of these documents are to be submitted in the respective department by the students for further processing subsequently.

2 Academic Wings at a Glance

The academic activities of the SBS State University have been divided into six academic wings offering various courses at Graduation, Post Graduation and Doctoral Research levels as follows:

1. Engineering Wing (EW)
2. Agriculture
3. Architecture Wing
4. Computer Applications Wing
5. Polytechnic Wingh (PW)
6. Commerce and Management Wing

Overview of all the Academic Wings, their departments and the Courses offered are summarized in following sub-sections:

2.01 Engineering Wing (EW)

The Engineering Wing (EW) offers AICTE approved undergraduate programmes leading to B.Tech degree in six disciplines namely Chemical Engg., Computer Science & Engg., Electrical Engg, Electronics & Communication Engg., Civil Engg. and Mechanical Engg. and postgraduate programmes leading to M.Tech degree in disciplines namely Computer Sc. & Engg., Electronics & Communication Engg., Electrical Engineering, Chemical Engineering and Mechanical Engineering. Students are admitted in B.Tech course on the basis of merit as per instruction of SBSSU Uni/Pb. Govt. An additional 10% of the sanctioned intake in each course is admitted to second year of B.Tech. on the basis of merit of three year Diploma courses as per SBSSU University guidelines. All the EW courses are affiliated to SBSSU University, Ferozepur and recognized by AICTE. The academic year is divided into two semesters, July to December and January to May. University examinations are held at the end of each semester.

2.02 Agriculture Wing

The university's Agriculture wing offers Bachelor of Vocational [B.Voc.] Agriculture, an undergraduate course that focuses mainly on agricultural science with intake of 60 seats and B.Sc. Food and Nutrition course with the intake of 30 seats. The course duration of B.Voc. Agriculture is 4 years. This degree deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Food Microbiology etc. The eligibility criteria for B.Voc Agriculture course is 10+2 from a recognized board in any stream. Since Agriculture is the backbone of our country, there will be an evergreen job scope for B.Voc Agriculture course in India. Agricultural officer, Agriculture Research Scientist, Agricultural Analyst are some of the popular jobs one can get after completion of B.Voc Agriculture course.

2.03 Architecture Wing

School of Architecture, SBS State University, Ferozepur was established in the year 2015 and is duly recognized by Council of Architecture, New Delhi. It is offering 05 years course of Bachelor of Archiecture (B.Arch.) with affiliation to SBSS University with annual intake of 10 seats. Architecture is a great field of study for those who are artistically talented and interested in creative design and the built environment. Our Bachelor of Architecture program allows students to tap into their creative talents, introduces them to the challenging world of building design and construction and prepares them to become change agents of the future.

2.04 Computer Applications Wing

Computer applications Wing was established in the year 2010 with an objective to provide quality professional education in the areas of Computer applications. This academic wing has been housed in Block-F that has all modern facilities for conducting graduation(BCA) of three years duration ,post graduation course(MCA) of two years duration and post graduate diploma course(PGDCA) of one year duration. Post graduation course M.C.A. is AICTE recognized and affiliated to SBSSU, Fzr. The Graduation courses BCA and PGDCA are non-AICTE courses. The academic year is divided into two semesters, July to December and January to May. The examinations are held at the end of each semester.

2.05 Polytechnic Wing (PW)

The Government of Punjab established Polytechnic Wing in the year of 2009 under the NABARD scheme in the erstwhile SBSSU, Fzr with an objective to make optimal utilization of existing available resources and to accelerate the development process of the state in general and this border region in particular. Polytechnic Wing is housed in Block-D. It offers AICTE recognized three year diploma programmes in four engineering streams. The academic year is divided into two semesters, July to December and January to June. The examinations are held at the end of each semester. The examination schedule, eligibility to appear in the examination etc. are prescribed by the Institute. All the branches of Polytechnic Wing are recognized by AICTE, New Delhi. 10% additional seats for direct admission to 2nd year for diploma holder students through lateral entry scheme.

2.06 Commerce and Management Wing

University has established Commerce & Management wing of with the launch of following courses.

1. B.Com - 90 seats
2. M.Com - 30 seats
3. BBA (Bachelor of Business Administration) - 30 seats

4. B.Sc Hotel Management & Catering - 30 seats
5. MBA (Master of Business Administration) - 30 seats
6. PGDBM (Post Graduate Diploma in Business Management) - 60 seat

The head of commerce and management department is Dr. R.P. Singh, Professor, DASH department.

3 Departments, Faculty Members and Facilities

3.01 Department of Applied Sciences and Humanities (Engineering Wing)

This Department comprises of sections of Applied Physics, Applied Chemistry, Applied Mathematics and Humanities. Following are the specific objectives of this department:

- To teach engineering and basic science courses at UG, PG & Doctoral levels.
- To train manpower with a view to protect environment and optimal utilization of engineering materials for meeting the ever growing demand of environmental friendly technologies.
- To inculcate and pursue the spirit of R & D in engineering graduates, science post graduates and doctoral students.

3.02 Department of Mechanical Engineering (Engineering Wing)

The Mechanical Engineering Department of SBS State University has served as a role model for many engineering university in the region. A large number of the graduates who have passed out from this department occupy senior positions in various engineering industries all over India (and even abroad). A competent and professional team of 18 full time faculty, mostly having Ph.D. and M.Tech. Qualifications from reputed universities, is backing up the steady growth and development of this department. The department has sixteen Laboratories fully equipped with latest equipment and a strong team of supporting staff to provide strong and active support in the smooth functioning of the different Laboratories. The Laboratories are equipped to carry out research in all areas related to Mechanical, Production and Industrial Engineering.

3.03 Department of Computer Science and Engineering (Engineering Wing)

Considering the high expectation of the ever challenging industry, CSE department promises to transform the students into innovative and dynamic professionals. There has been a rapid growth in the infrastructure of the department since its inception in 1996 and there has been no looking back. The department has well established computer labs in addition to computer centre in which the practical knowledge of programming, networking, operating systems etc. is imparted to students. The department has produced quality computer professionals who are employed in Public, Private and Educational sectors all over the nation and aboard bringing good name to their alma mater.

Following are specific objectives of the department:

- To provide knowledge of modern computing systems as well as sound theoretical background to meet evolving needs of students.
- To achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.
- To provide a vibrant academic environment to produce knowledge based research oriented professionals.
- To strengthen research activities.
- To foster strong industry-university interaction.

3.04 Department of Electronics and Communication Engineering (Engineering Wing)

The ECE department offers regular undergraduate (B.Tech) and postgraduate (M.Tech) courses in Electronics and Communication Engineering for last more than 20 years. The department is also offering B.Sc. Computer Applications and Electronics, B.Sc (Honours) in Applied Physics, Minor degree in Internet of Things (IoT) to place our students in esteemed multinational and international related industries. The department has a prestigious history of placing the students of ECE in renowned multinational companies (in National and abroad), Public sector undertakings (PSUs), Government establishments, for instance (Ericsson, Bel, TCS, Infosys, Accenture, Wipro, ISRO, DRDO and many more) through campus placement drives. Department is having its own society for students names as "Society of Electronics & Communication Engineers" to organise various technical, co-curricular and extracurricular activities for the overall development of students.

The department has well-established Labs for the practical exposure of its students. The curriculum of the department is designed to provide its students an exposure of all the fields of Electronics and Communication Engineering. After satisfying broad basic requirements, students may choose advanced elective courses for more focus and breadth. Following are the specific objectives of this department:

- To develop high quality, professionally groomed technical and engineering manpower
- To be dynamic, innovative and flexible in devising courses to meet the latest technological challenges.
- To act as a facilitator for knowledge generation and dissemination through Research, Institute-Industry and Institute-Interaction.
- To establish a center of excellence in the areas of "Microprocessor" & "Communication Systems".

Department of Electronics and Communication Engineering of SBS State University, Ferozepur is running undergraduate (UG) as well as Postgraduate (PG) programs as follows:

3.05 Department of Chemical Engineering (Engineering Wing)

The department runs B.Tech. Chemical Engg. course with an intake of 15 seats. The department also started a new course of B.Sc in Environmental Sciences in the year 2022 with an intake of 30 seats. The department offers all the necessary facilities and opportunities to the students for developing them professionally and academically. The students of the department have already proved themselves in the professional world, being placed in esteemed industrial houses like Lurgi India, McKenzie, Reliance, Glaxo-SmithKline, NFL, Hindustan Uniliver, Max India, Gujarat Florochemicals, IOCL etc. All the faculty members of the department are highly qualified. All the Laboratories in the department are well equipped.

3.06 Department of Electrical Engineering (Engineering Wing)

Sensing the growing demand of Electrical Engineers due to growth in Power Sector and other electrical industries, the department of Electrical Engineering was established in year 2003. Right from its inception, the department is continuously striving for excellence through development of Laboratories and all necessary infrastructures. The specific objectives of this department are to provide a right combination of practical and theoretical knowledge to its students and to achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.

3.07 Department of Civil Engineering (Engineering Wing)

One of the primary engineering departments of the Shaheed Bhagat Singh State University, Ferozepur (Punjab). Department of Civil Engineering was established in the year 2011. Since then department offers regular academic course of B.Tech. degree in Civil Engineering with an annual intake of 60. The Department actively promotes curriculum development activity by updating existing courses, developing new courses and preparing resource material for teaching. The expert faculty members are involved in several basic and applied research works, many of which also get translated to solve various challenging issues of the society at large. The department is also providing consultancy to various governmental/private organizations in Structural/ Geotechnical/ Highway/ Surveying/ Environmental Engineering.

3.08 Department of Computer Applications Wing

With an aim to produce professionals known for their innovation, imagination, synthesizing and analytical competence, scientific intellect and business competency, departments of Management; Information Technology and Computer Applications came into existence in 2010. The various graduation and post graduation programs offered by these departments provide a perfect platform for creating managers and IT professionals who will cater to the demand of Indian industrial sector. These programs groom the students into professionals through their academic and multifaceted personality development.

3.15 Department of Agriculture

The university also offers Bachelor of Vocational [B.Voc.] Agriculture, an undergraduate course that focuses mainly on agricultural science with intake of 60 seats. The course duration of B.Voc. Agriculture is 4 years. This degree deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Food Microbiology etc. The eligibility criteria for B.Voc Agriculture course is 10+2 from a recognized board in any stream. Since Agriculture is the backbone of our country, there will be an evergreen job scope for B.Voc Agriculture

course in India. Agricultural officer, Agriculture Research Scientist, Agricultural Analyst are some of the popular jobs one can get after completion of B.Voc Agriculture course.

4 Central Facilities and Amenities

4.01 Training and Placement Office (TPO)

SBSSU has constituted an active Training & Placement Office (TPO) that continuously works for campus placements of students as well as for arranging their industrial training. The Cell has been instrumental in placing a large number of students at various corporate positions of the industries of repute. The TPO is a multifaceted body that includes representatives of faculty members and students of each department.

The TPO has developed a far reaching mechanism to monitor and guide industrial training programme of State university students and takes proper feedback from industry about students' performance. With this feedback, the TPO continuously apprises the respective departments about current & latest needs of industry who henceforth chisel their students accordingly. The cell has developed a symbiotic relation with the corporate world and visualizes this association to touch dazzling heights. It aims to reach the moment when every single passing out student of SBSSU becomes the most sought after asset to be owned by the industry.

The students of our Campus have been placed in reputed companies like Infosys, Accenture, TCS, Oracle Corporation, HP India, IBM, Infogain, PCS, iGATE, Escorts, Wipro, Sonalika, Honda, Mahendra Satyam, Dell Services, MAX India,DSM-Sinochem, TCE, Nestle India Ltd.,Trident,Indian Navy, India Army,L & TInfoTech, Bajaj Motors, HCL, GVKpower, Hero Cycles, Emicon, Enbake, Grundfos, Pompeii Technologies, Morgan & Stanley, Amdocs, Head strong, Genpact, Capgemini, KPMG and many more.

4.02 Institute Innovation Cell (IIC) & National Institutional Startup Policy (NISP)

Institute has its own innovation and NISP cell established under AICTE with following objectives:

- ❖ To organize activities to inculcate the culture of innovations and entrepreneurship.
- ❖ To conduct programmes involving interaction between industry and the university.
- ❖ Awareness in the society regarding industry and engineering education.

IIC President — Mr. Japinder Singh, Associate Professor, CSE
In-charge NISP — Dr. Vikram Mutneja, Associate Professor, ECE

4.03 Central Library

Progress in this information age depends largely on front line knowledge/information gained by educationists, technologists, engineers and scientists and library plays a key role in dissemination of information. The flood of literature, shrinking resources, escalation of prices has made it impossible to get all information at individual level. So, at this stage, the library comes to the rescue to its users. Central library of the State university has an adequate number of books to meet the present requirements of the students and staff in the subjects and fields of the ongoing courses. Around 33,000 text-books and reference books have been procures in various streams of science, Engineering, Management & Humanities. For topical awakening of students and staff, it subscribes to 8 Local and National Newspapers, 26 Serials/periodicals and 69 Journals of national & International standard covering all fields of Engineering and Management and many e-journals such as Computer Science e-journals, ASPP, DELNET etc.

Library is procuring books on regular basis also, it hold book display at regular interval. Library having various section ,i.e. Reference Section ,Text Book Section, Book Bank Section, Circulation Section, Newspaper, News Letter, Journals, Magazines Section, CD-ROM facility

Librarian — Mr. Tej Pal Verma

4.04 Computer Center

The State university has an ergonomically designed, well equipped and centrally air-conditioned Computer Centre. The Computer Centre has 03 Servers (SQL server, Network Management Server and Windows NT) . A laser printer, a scanner, and a number of CD-Writers are the added support to the service of Computer Centre. The Computer Centre has high speed Leased Line Internet Connectivity. This internet facility is distributed on all the terminals available in the State university. The computer centre also provides Wi-Fi connectivity in the campus. The timings of Computer Centre are 8.00 am to 5.00 p.m. throughout the academic session on all working days. However, it can be changed depending upon the needs and teaching load from time to time. University also has NKN internet connecting, computer centre has approximately 100 computer system.

Assistant Professor	Mr. Amardeep Chopra, Assistant Professor

4.05 Central Workshops

The Central Workshops of the State university comprise of 8 shops namely Machine, Molding & Foundry, and Sheet metal, Electrical & ECE, Black Smithy, Welding, Fitting, Carpentry & Pattern and Heat-treatment. All the shops are well equipped with latest machines and tools. It is being used for imparting practical training to students on basic manufacturing processes and also used for fabricating minor & major projects for students along with practical work related with M.Tech. and Ph.D. and other development works as side activities. There is highly experienced staff for the training of the students.

Workshop Superintendent	Mr. Munish Kumar, Associate Professor, ME
Foreman Instructor	Mr. Parminder Pal Singh
Assistant Professor	Mr. Veer Pal Soi

4.06 Medical Facility

The State university has a Health Centre to provide basic medical facilities. It acts as a centre for medical help to both students and staff. At present it is having a qualified doctor (part time) and requisite para-medical staff to ensure efficient in-house medical facility.

Pharmacist	Madhav Gopal
Staff Nurse (Male)	Kamal Bhatti

4.07 Transport Facility

For various official activities, the State university has an Ambassador Car, a Toyota Innova and a Mahindra Xylo. State university also has a tractor of its own for various miscellaneous needs and maintenance activities having of vehicle.

Transport Officer	Mr. Munish Kumar, Associate Professor, Mechanical Engg.

4.08 Boys Hostels

The State university has 4 hostels for boys namely Satluj Bhawan, Ganga Bhawan, Beas Bhawan and Yamuna Bhawan. Following are the main features of these hostels:

- ❖ Satluj Bhawan and Ganga Bhawan have 91 dormitory rooms each with a capacity of 3 to 4 students, while Beas Bhawan has 202 double seater rooms.& Yamuna Bhawan has 40 rooms.
- ❖ Each Hostel has a TV room with DTH connection, a guest room, a room for-in-door games, badminton court ,a recreation cum reading room and computer Lab with internet facility.
- ❖ Each hostel has a warden office and a manager's office for its smooth functioning.
- ❖ Each hostel is running a co-operative mess. Students themselves ensure the quality of the food served, decide the menu and manage all the matters.
- ❖ The reading room of each hostel subscribes many magazines and newspapers.
- ❖ Beautifully landscaped lawns are developed in front of each hostel providing students eye-soothing and refreshing surroundings.

4.09 Girls Hostels

The State university has 2 hostels for girls namely Saraswati Bhawan and Mata Gujri Bhawan.

Mata Gujri hostel have 40 dormitory rooms each with a capacity of 3 to 4 students. These rooms are well spaced and properly furnished. The hostel has a TV room, a guest room, room for in-door games, and a recreation cum reading room. It also has a warden office and a separate warden house. The hostels are also provided with a well equipped gym. A 24 hour back-up supply of separate generator is provided to the hostels. Beautifully landscaped lawns are developed in the hostels providing students an eye soothing and refreshing surrounding. Two badminton, one basket ball and one valley court is also provided in the hostels.

Warden (Saraswati Bhawan & Mata Gujri Bhawan)	Dr. Jaswinder Kaur, Associate Prof., ECE
Assistant Warden	Mrs. Parveen Bala, CSE

4.10 Maintenance Cell and Central Power Station

To look after the maintenance activities of the State university in a streamlined manner, the State university has a dedicated maintenance cell comprising of four sub-sections namely Carpentry, Plumbing, Electrical and Masonry. The State university also provides power back up facility to students with two generators of 250 KVA and 125 KVA.

Officer In charge, Civil Maintenance	Mr. Jaswinder Singh, Lab . Supdt.
In-charge Civil Maintenance	Mr. Gurjit Singh (Jr. Tech)
Officer In-charge, Electrical Maintenance	Mr. Parminder Pal Singh (FI)
In-Charge Electrical Maintenance	Mr. Rajinder Singh (Tech. Gr II)

4.11 Market Complex

To cater to the everyday needs of students, staff members and their families residing in the staff colony, State university has a shopping complex located in the center of academic area, hostels and staff colony. It includes a grocery shop, a stationary shop, a photo-state shop, a confectionary shop, and a fruits & vegetables shop. The quality of services provided by shopkeepers is duly monitored by State university authorities.

4.12 Canteen Facility, Nescafe Outlet and Verka Booth

Market complex also houses canteens and a Nescafe outlet for providing fresh and hygienic food items to students. Students can enjoy snacks and relax in the heavily wooded lawn situated in the area between canteen and Nescafe outlet. Various milk products of Verka are also made available to the students in the Verka booth in front of academic blocks.

4.13 Gymnasium

State university boasts of a state-of-the-art gymnasium. For the benefit of University Campus residents timings for boys, girls and staff are scheduled separately.

4.14 Bank and ATM

Branch of State Bank of India is located in the Market Complex. ATM of the same bank is also available for 24 hour cash withdrawal facility on the main gate of the State university.

4.15 Post Office

State university also has a Post Office situated in the Market Complex. An exclusive PIN code 152004 is allotted to its operational area that mainly comprises this university. Apart from regular facilities like Speed Post of any post office, students can also take benefit of small savings schemes of the Post Office.

4.16 Guest House and Hostel Guest Rooms

State university Guest House is situated in staff colony. Its services are mainly utilized for official guests of the State university. Apart from guest house, one guest room is also available in each hostel. Hostel guest room facility is available for student's benefit at nominal rents as per hostel rules.

4.17 Staff Colony

SBSSU has a unique distinction among all the engineering state universities in Punjab that almost its entire regular faculty stays inside the campus. The staff colony has six categories of houses, a children's park and all the necessary facilities and amenities for a pleasant stay of staff residing there.

4.18 ERP- Cell

ERP- Cell has been established in the university to automate day to day working of the university. This will make the working of the university paperless. ERP –solution provide online information to all students, faculty and staff regarding exams, salary and income-tax etc. All students are able to view their performance through ERP-Solution. Attendance of all staff & students is marked using Biometric machines.

4.19 Skill Development Initiative (SDI) Scheme

Skill Development Initiative (SDI) Scheme is a Punjab Govt. initiative to provide skill training to unemployed youth, school drop-outs or present workers who are working in the informal sector on low wages. It aims to reduce unemployment by providing quality training. SBSSTC has been registered as a vocational training provider (VTP) under this scheme to run various training Co-coordinator

5. Platforms for Student's Multifaceted Development

5.01 Society for Extra Curricular Activities (SECA)

Engineer as the world stands, means a professional, and a professional should never and never be a bookworm. He/She must have a well groomed persona with multi dimensionally developed skills in his armory. Keeping this in view the State university has given its students (the future Engineers) a mega platform namely Society for Extra Curricular Activities (Abbreviated as SECA) to give them abundant opportunities to develop their interpersonal skills and explore their creativity and innovation. Students are given a chance to plan, co-ordinate and manage the events themselves as it was thought that mere participation did not solve the purpose for which SECA was formed. To achieve its goal, a student body is formed every year at the start of the session by the Faculty In-charge and Secretary of the society. To cater to various aspects of a student's personality, SECA has been segmented into four sections:

1. **PERSONALITY DEVELOPMENT:** This section looks after activities which help in overall development of the personality of the students like developing oration skills, improving communication skills etc.
2. **CULTURAL ACTIVITIES:** These activities play a pivotal role in keeping the students rejuvenated and refreshed. These activities infuse the spirit of enthusiasm & rapturous jubilation in their cumbersome daily routine. It also gives them a platform to polish their artistic abilities.
3. **HOBBIES DEVELOPMENT:** The section of hobbies development brings to light and develops the hidden facets of one's life through numerous activities like painting, poetry, sketching, pottery, Rangoli making etc.
4. **MOKSHA - THE MUSICAL TROUP:** It nourishes the musical, instrumental and vocal talents of the State university.

All the activities mentioned above are organized regularly throughout the year.

"JASHAN"-THE ANNUAL CULTURAL FEST: It is the annual cultural extravaganza of the State university which is generally organized in the month of April at inter-Engineering/National level.

Chief Coordinator	Mr. Munish Kumar, Associate Professor, ME
Coordinators	Dr. Manjinder Singh, Mr. Rahul Chopra

5.02 Indian Society for Technical Education Students Chapter (ISTE)

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making Society. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into Indian Society for Technical Education" in 1968 with a view to enlarge its activities to advance the cause of technical education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Governments are associated with ISTE to provide a technical platform to the engineering students to enhance their technical knowledge. The ISTE student chapter of SBSCET, Ferozepur has been organizing National level Technical-fests with the name of TECHNO-OPUS and CHAZZANS every year. These technical-fests motivate students to expose their hidden talents with their splendid and brilliant flair along with to enhance their professional ideals & standards. These national level events are designed with a mixture of technical and non technical events and only for the technical development but also for personality development of students. The ISTE (students) of SBSSU, Ferozepur is on its way to produce technical professionals to be a part of future technical world.

Chief Co-ordinator ISTE (Student Chapter)	Dr. Rajni, Professor, ECE
Co-ordinator	Ms. Navdeep Kaur, Assistant Professor, ECE

5.03 Association of Revolutionary Engineering Bees (AREB)

For a student it is essential to have well groomed personality with multi dimensional development of various skills in his armory. Keeping this in view the State university has given its diploma students a platform namely AREB to give them opportunities to build their personality so that they can stand in front of the world to beat it. Student are given chance to plan, co-ordinate and manage the events themselves with an aim to help in developing their skills.

Chairman	Mr. Rahul Chopra, Lecturer, ME

5.04 Departmental Technical Societies

State university has eleven department wise technical societies to chisel the technical skills of students in their respective fields. These societies aim to augment zeal of learning and to keep its members abreast of the latest developments in their technical fields. These societies aim to transform its members into perspicacious and innovative individuals besides improving their technical know-how, logical and analytical skills. For overall pruning and chiseling of personality of students, they regularly organize activities like Technical exhibitions, General/ Technical Quizzes, Group Discussions, Debates, Declamations, Seminars etc. at State university level. All the departmental societies and their Officer In charges are as tabulated below:

Table 1.21 Departmental Societies and Officer In-charges

5.05 Manthan: The Annual Magazine

To hone the literary skills of its students State university provides a platform in the form of its Annual Magazine namely Manthan, which is published annually and includes literary work of students in three sections viz. Punjabi, Hindi and English. Various activities involved in publishing of the Magazine are managed by a team of students under the guidance of a team of faculty members.

5.06 Veronica: The Bi-Annual Newsletter

State university brings a half-yearly newsletter by the name Veronica. Its issues are released in the months of January and July Veronica is published to meet the following objectives

- To keep students, faculty and staff of the State university abreast with their achievements
- and happenings in the campus.
- To provide such students who have a flare for journalism, reporting etc. a platform by

- extending them an opportunity to manage all the affairs of the State university newsletter.

5.07 Reminiscences: The Souvenir

The State university brings forth Souvenir- "Reminiscences" with the noble objective to preserve the memories of the passing out batch of Graduating Engineers. This memento serves as a handy means to make a sojourn into the memory lanes in the world of nostalgia of sweet and sour memories of the past four years stay in the campus. The souvenir being published is reminiscent of their excellent association with the past to sustain the vibrant image of their alma mater.

Incharge	Mr. Sandeep Singh, Assistant Professor, B.Arch.

5.08 National Service Scheme (NSS)

This State university has been allotted 2 units of NSS in Engg Wing. Each unit has an intake of 200 student volunteers. The central theme of NSS activities is to make students understand that their first duty should be, not only to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but also for preparing themselves for final dedication in the service of those on whose back they are resting. To accomplish this goal, it is sought to arouse the social consciousness of students and provide them with opportunity to work with the people around the educational campus creatively and constructively and to put the education they receive to concrete social use. In fact, the primary aims of the scheme are to enable the students to upgrade their personality and experience through community service. The motto or watch word of NSS is "NOT ME, BUT YOU". This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. NSS units of the State university organize cleanliness camps, blood donation camps, seminars and educational trips to fulfill the mission of NSS. Among NSS volunteers one boy and one girl is selected as Group leader per batch per unit. NSS volunteers are awarded with certificates and general fitness marks as per their performance in NSS activities. NSS volunteers have an opportunity to attend adventure camps, cultural programme camps organized by PTU.

Programme Officer, Unit-I	Mr. P.D. Singh, Lab Superintendent, (Chem Engg)
Programme Officer, Unit-II	Mr. Rahul Chopra, Polywing (ME)
Programme Officer, PW	Mr. Gurjeevan Singh (Lecturer ECE, PW)

5.09 National Cadet Corps (NCC)

NCC is compulsory for completion of the B.Tech. Degree as per the new ordinances of , IKGPTU Jalandhar. The State university has two (02) NCC sub units run by 13 Pb Battalion Fzr & 5 Punjab Battalion Moga. There are two platoons of boys and one platoon of girls. To enhance the confidence level and to fill the students with the patriotic feelings, the State university has applied for new platoons. The SBSS University is drawing its attention by providing such challenging activities in its campus to the technical students to be a important part of Indian defensive wing. NCC lays a sound foundation to enter into the field of Defense. Besides this, the additional marks are included in almost every technical interview for every NCC cadet, especially, during the recruitment of Defence officials.

Associate NCC Officer - Maj. (Dr.) Kulbhushan Agnihotri, Associate Professor, DASH

5.10 Eco-friendly Group

It is a group of eco-friendly and environmental conscious students which take up activities like tree plantations, anti-polythene campaigns and good housekeeping of State university and hostels etc.

Officer In-charge	Mr. Gurpreet Singh, Lab. Supdt.

5.11 Games and Sports

Participation in games and sports activities and competitions has tremendous potential for better education of humans, especially the children and youth. Participation in physical education & sports ensures better health of the people and has preventive function against various illness and diseases of the present day man who is becoming more and more physically inactive. Sports serves as a very good means of recreation for the modem civilization which is becoming increasingly prone to psychological stress of modern day living and work condition. For the proper utilization of leisure time State university have a vast lush green play' fields measuring 245x245 meter. In this area playgrounds such as 400 meter, athletic track, hockey ground, basketball ground volleyball. All the playgrounds are watered with water sprinkling system. The facilities of cemented courts for lawn tennis and badminton are also available. Indoor games like carom, table tennis, chess are available in each hostel. 5.12 Student Advisory System

State university follows advisory system in which a group of 15-20 students are allotted to advisors chosen by Chief Counselor (appointed by the Registrar of the State university). Advisors/Mentors act as Counselors for their group of students. Their functions include mainly providing guidance and encouragement to students to build up a balanced personality. They are also supposed to apprise students about rules & regulations of the University/ State university and amendments there in from time to time. Advisors are to act as local guardians for their group of students apart from acting as link between the State university and students, if there is a need. In a nutshell Advisors (necessarily a faculty of the State university) act as MENTORS for their group of students. Chief Counselor makes sure that Advisory System is being followed in the right spirit.

Chief Counselor	Mr. Gurnam Singh, Associate Professor, ME

5.13 Webmaster's Group

The Webmaster's group is formed by selecting a group of students who have exceptional skills and flare for making and managing websites. Through this platform they get an opportunity to further sharpen their skills by developing and managing the State university website.

Coordinator	Mr. Amardeep Chopra, Assistant Professor, Computer Practice

5.14 SBSCET Alumni Association

An Alumni Association of Ex-Students of SBSCET, Ferozepur has been registered under the name of 'SBSCETians'. The various objectives of the Alumni Association are:

- To arrange a meet of all the Ex-students of the State university from time to time.
- To arrange career guidance seminars for the State university students by inviting Ex-students of the State university.
- To create a link between current students and Ex-students of the State university so that they can take valuable guidance regarding their Industrial trainings as well as placements

600 govt school students participate in JEE, NEET Mock Test

HARISH MONGA
PUNJAB EXPRESS BUREAU
Ferozepur, January 7

A mock test for the prestigious tests of JEE Mains and NEET was conducted by the university for the science subject students of about 20 government schools of the district here today at the local Shaheed Bhagat Singh State University, in which around 600 students from various government schools participated.

The main purpose of this test was to prepare the students of the government schools of the district to solve the questions asked in the JEE Mains and NEET exams.

It is worth mentioning that efforts are being made by the Punjab government to raise the standard of education in government schools. This effort of the University will prove helpful for the students of these schools to pass with good marks in these prestigious national-level tests.

While talking to the students who had come to give the mock test, they said that the faculty/staff of the University often come to their schools, to provide information about the tests and schemes available by the government for general/poor and SC/ST students.

> The main purpose of this test was to prepare the students of the government schools of the district to solve the questions asked in the JEE Mains and NEET exams.

Dr. Ghazalpreet Singh, Registrar, of SBS State University said that the purpose of this mock test was to provide information and preparation for the national level tests to government schools where children from lower classes usually get an education.

He further said that this mock test is a step in the efforts being made by the Punjab government to raise the level of education in government schools.
